# How can Included Health help?

## Need to see a doctor now?

See a doctor virtually and get treatment for over 90% of common ER issues, including coughs and colds, UTIs, and rashes. You can even get a prescription refilled.

## Looking for high-quality mental health care?

Connect to a therapist or psychiatrist right from your phone. Explore our top-rated network of mental health professionals to find the right fit for you or a dependent.

## Want confidence in your care?

Get a free expert second opinion from a leading expert for your condition without any extra appointments, bills, or exams.

## What other OneOncology benefits are available to me?

Your Included Health care coordinator has unique expertise in making sense of all your employee benefits and can connect you with the right resource.

## Confused by a medical bill or charge?

Get help understanding your bills and explanations of benefits (EOBs). We can even review bills for errors to make sure you were not incorrectly charged.

## Want to know what you can expect to pay?

Search right in the app to compare costs between doctors, facilities, and testing locations. You can also reach out to a care coordinator for live support.

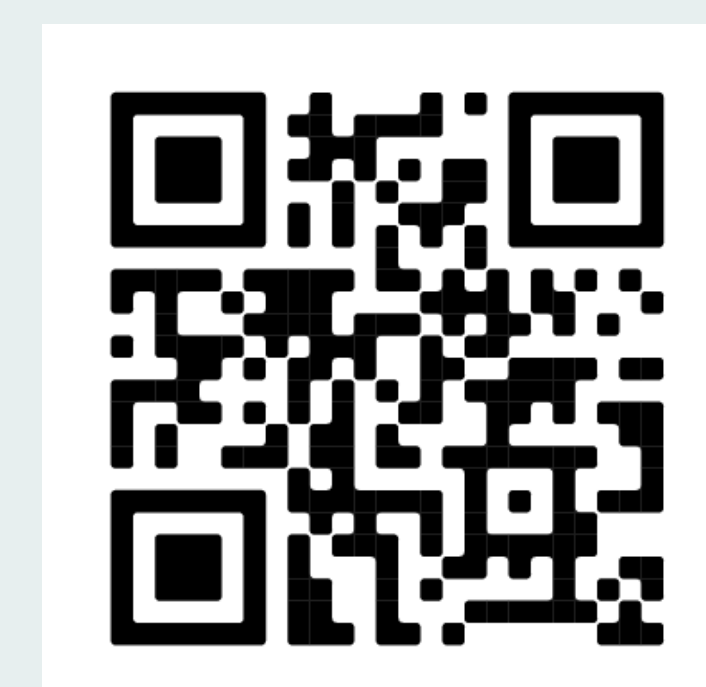

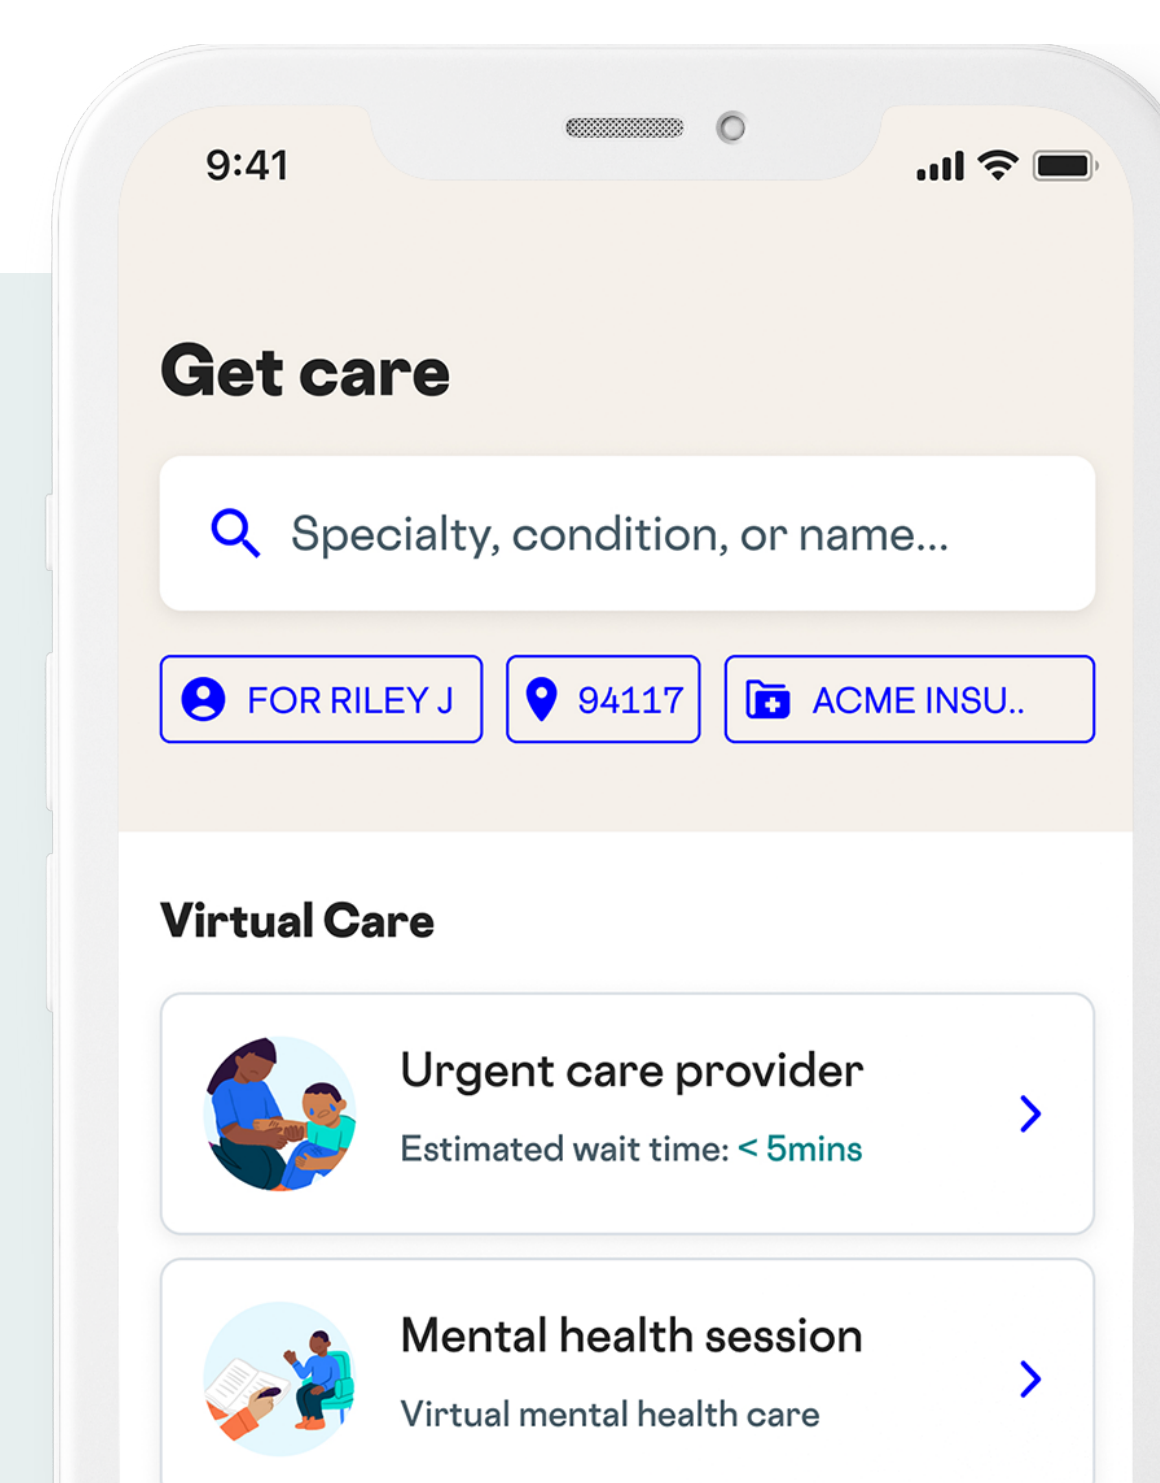

## Need to find in-person care?

Search by specialty, condition, or procedure right in the app to find in-network doctors, therapists, and facilities near you.
